Re: Copyright Infringement — Unauthorized Use of Photographs

Dear Mr. Chen,

This letter constitutes a formal demand that you and/or your organization immediately **cease and desist** all unlawful activity relating to a series of 14 original photographs collectively titled 'Urban Textures' (Registration No. VA-2025-004821). This letter is sent on behalf of myself whose rights have been violated, and is intended to put you on formal notice of these violations.

FACTUAL BACKGROUND

These photographs have been reproduced without authorization on your client's e-commerce website (www.leafstyleboutique.com) as product-page hero images, social-media advertisements on Instagram and Facebook, and in a printed catalog distributed in Q4 2025. The images were watermarked and registered with the U.S. Copyright Office prior to the infringement.

LEGAL BASIS

The conduct described above constitutes a violation of 17 U.S.C. §§ 106, 501, and 504. These laws provide for significant civil remedies, including injunctive relief, monetary damages, and recovery of attorneys' fees and costs.

DEMANDS

In light of the foregoing, we hereby demand that you take the following actions on or before **April 9, 2026**:

1. Immediately remove all 14 photographs from the website www.leafstyleboutique.com, all associated social-media accounts, and any third-party platforms where they have been distributed.

2. Destroy all printed materials (catalogs, flyers, banners) containing the photographs.
3. Provide a complete accounting of all revenues generated using the photographs, including ad impressions, click-through metrics, and sales figures attributed to campaigns featuring the images.
4. Pay statutory damages in the amount of \$42,000 (fourteen images x \$3,000 per image) within 30 days of receipt of this letter.
5. Provide a signed written undertaking that no further unauthorized use will occur.

CONSEQUENCES OF NON-COMPLIANCE

If you fail to comply with these demands by the deadline above, my client will pursue all available remedies under federal copyright law, including statutory damages of up to \$150,000 per work for willful infringement, attorneys' fees, and injunctive relief.

Nothing in this letter shall be construed as a waiver of any rights or remedies available under applicable law, all of which are expressly reserved. This letter is written without prejudice to any and all rights, remedies, and claims, whether known or unknown, that may exist now or in the future.

Please direct your written response to the undersigned at the address above no later than **April 9, 2026**. Sincerely govern yourself accordingly.

Sincerely,

Priya Nair
