Re: Defamation — False and Malicious Online Statements

Dear Mr. Kessler,

This letter constitutes a formal demand that you and/or your organization immediately **cease and desist** all unlawful activity relating to false and defamatory statements published by you on Google Reviews, Yelp, and the Reddit forum r/PortlandHealth between December 2025 and February 2026. This letter is sent on behalf of myself whose rights have been violated, and is intended to put you on formal notice of these violations.

FACTUAL BACKGROUND

You posted reviews and comments under the username 'HealthWatchPDX' alleging that Ellis Integrative Health Clinic 'uses unlicensed practitioners,' 'bills insurance for services never rendered,' and 'has been investigated by the Oregon Medical Board for malpractice.' These statements are categorically false. Dr. Ellis and all practitioners are fully licensed, no fraudulent billing has ever occurred, and no investigation by the Oregon Medical Board exists or has ever existed. These posts have been viewed over 18,000 times collectively and have directly caused a measurable decline in new patient appointments.

LEGAL BASIS

The conduct described above constitutes a violation of Oregon Revised Statutes § 31.150 et seq. (defamation) and common-law tortious interference with business relations. These laws provide for significant civil remedies, including injunctive relief, monetary damages, and recovery of attorneys' fees and costs.

DEMANDS

In light of the foregoing, we hereby demand that you take the following actions on or before **March 24, 2026**:

1. Immediately delete all defamatory posts and reviews on Google, Yelp, Reddit, and any other platform where such statements were published.
2. Publish a retraction on each platform acknowledging that the statements were false and unsubstantiated.
3. Refrain from making any further public statements regarding Ellis Integrative Health Clinic, its practitioners, or its business practices.
4. Pay \$25,000 in damages representing lost revenue directly attributable to the decline in patient appointments since the defamatory posts appeared.

CONSEQUENCES OF NON-COMPLIANCE

Should you fail to comply, Dr. Ellis will initiate a civil action seeking compensatory damages, punitive damages, and injunctive relief. All evidence, including archived screenshots and IP-address logs, has been preserved.

Nothing in this letter shall be construed as a waiver of any rights or remedies available under applicable law, all of which are expressly reserved. This letter is written without prejudice to any and all rights, remedies, and claims, whether known or unknown, that may exist now or in the future.

Please direct your written response to the undersigned at the address above no later than **March 24, 2026**. Sincerely govern yourself accordingly.

Sincerely,

Dr. Samantha Ellis
