Re: Harassment — Demand to Cease and Desist All Harassing Conduct

Dear Mr. Greer,

This letter constitutes a formal demand that you and/or your organization immediately **cease and desist** all unlawful activity relating to a pattern of workplace harassment, intimidation, and retaliatory conduct directed at me during my employment at Pacific Coast Retail Group from August 2025 to the present. This letter is sent on behalf of myself whose rights have been violated, and is intended to put you on formal notice of these violations.

FACTUAL BACKGROUND

Since August 2025, you have engaged in repeated unwelcome conduct including derogatory comments about my Japanese heritage made in front of colleagues on at least seven documented occasions, deliberate exclusion from team meetings and client presentations, assignment of demeaning tasks not commensurate with my role as Senior Account Manager, and threats of termination when I raised concerns with HR on November 4, 2025. I have documented each incident with dates, witnesses, and contemporaneous notes.

LEGAL BASIS

The conduct described above constitutes a violation of Title VII of the Civil Rights Act of 1964 (42 U.S.C. § 2000e), the California Fair Employment and Housing Act (Cal. Gov. Code § 12940), and applicable common-law tort claims. These laws provide for significant civil remedies, including injunctive relief, monetary damages, and recovery of attorneys' fees and costs.

DEMANDS

In light of the foregoing, we hereby demand that you take the following actions on or before **March 26, 2026**:

1. Immediately cease all harassing, discriminatory, and retaliatory behavior toward me.

2. Refrain from making any derogatory or discriminatory remarks about my race, ethnicity, or national origin.
3. Restore my full duties and responsibilities as Senior Account Manager, including client-facing meetings and presentations.
4. Ensure no retaliatory action is taken against me for asserting my rights through this letter or any formal complaint.

CONSEQUENCES OF NON-COMPLIANCE

If the harassing conduct does not cease immediately and my working conditions are not remedied, I will file a formal charge of discrimination with the Equal Employment Opportunity Commission (EEOC) and the California Department of Fair Employment and Housing (DFEH), and will pursue a civil action for damages, including emotional distress, lost wages, and punitive damages.

Nothing in this letter shall be construed as a waiver of any rights or remedies available under applicable law, all of which are expressly reserved. This letter is written without prejudice to any and all rights, remedies, and claims, whether known or unknown, that may exist now or in the future.

Please direct your written response to the undersigned at the address above no later than **March 26, 2026**. Sincerely govern yourself accordingly.

Sincerely,

Linda Fujimoto
