Re: Breach of Non-Disclosure Agreement — Unauthorized Disclosure of Confidential Business Information

Dear Mr. Park,

This letter constitutes a formal demand that you and/or your organization immediately **cease and desist** all unlawful activity relating to the Mutual Non-Disclosure Agreement (the 'NDA') executed on June 1, 2025, between our client, Helios Biotech Corp., and Greenfield Ventures LLC, in connection with discussions regarding a potential Series B investment. This letter is sent on behalf of our client, the party whose rights have been violated, and is intended to put you on formal notice of these violations.

FACTUAL BACKGROUND

On or about January 20, 2026, confidential information protected by the NDA — including Helios Biotech's unpublished Phase II clinical-trial data, proprietary drug-compound formulations, and detailed financial projections — was disclosed by Nathan Park to representatives of Vertex Capital Partners and Horizon Pharma Holdings during an industry conference in San Diego. This disclosure was confirmed by two independent attendees and corroborated by a presentation slide deck bearing Helios Biotech's confidential markings that was circulated at the event. The NDA explicitly prohibits disclosure to any third party without prior written consent, which was never requested or granted.

LEGAL BASIS

The conduct described above constitutes a violation of California Civil Code §§ 3426 et seq. (Uniform Trade Secrets Act) and common-law breach of contract. These laws provide for significant civil remedies, including injunctive relief, monetary damages, and recovery of attorneys' fees and costs.

DEMANDS

In light of the foregoing, we hereby demand that you take the following actions on or before **March 14, 2026**:

1. Immediately cease any further disclosure of Helios Biotech's confidential information to any third party.
2. Provide a complete written account of all individuals and entities to whom confidential information was disclosed, including the specific materials shared.
3. Retrieve and destroy all copies of confidential materials that were distributed, and provide certification of such destruction.
4. Notify Vertex Capital Partners and Horizon Pharma Holdings in writing that the disclosed information is confidential and subject to the NDA, and that they must return or destroy all copies.
5. Pay liquidated damages of \$500,000 as stipulated in Section 8(c) of the NDA.

CONSEQUENCES OF NON-COMPLIANCE

If Greenfield Ventures does not fully comply with these demands by the stated deadline, Helios Biotech will file suit in the Superior Court of California, County of Los Angeles, seeking injunctive relief, the contractual liquidated damages, consequential damages for harm to competitive position and investor relations, and recovery of all attorneys' fees and costs as provided under Section 10 of the NDA.

Nothing in this letter shall be construed as a waiver of any rights or remedies available under applicable law, all of which are expressly reserved. This letter is written without prejudice to any and all rights, remedies, and claims, whether known or unknown, that may exist now or in the future.

Please direct your written response to the undersigned at the address above no later than **March 14, 2026**. Sincerely govern yourself accordingly.

Sincerely,

Karen Whitfield, Esq.
